

CARRANZA TROOPS BATTLE VILLA LEADER IN TOWN OF C. P. DIAZ

Dynamite Bridge So He Can't Follow Them, and Make For the Monclova Coal Fields to Meet Villa Forces From Torreon; Villas Levies Heavy Tax Upon People of Guadalajara; Mexico City Status.

CARRANZA troops, in their retreat from C. P. Diaz, dynamited the Sabalera river bridge, one of the largest bridges in Mexico, according to Carranza advisers received here. It is claimed that this will put the railroad line out of commission for months, thus effectively halting any possible advance of Villa's forces. Carranza's army, which was defeated at the battle of Parral, is now in the town of C. P. Diaz, where it is being retrained by General Huerta. Carranza's army is now in the town of C. P. WOMAN'S HEALTH REQUIRES CARE

Women are so constituted as to be peculiarly susceptible to constitutional and their general health depends in a large measure on careful regulation and correction of this tendency. The delicate organism is subject to the violence of cathartic and purgative remedies, which, while they may afford temporary relief, stock the system and seriously disturb the functional organs. A mild laxative is far preferable and, if properly compounded, much more effective.

The combination of simple laxative herbs with potent acid in Caldwell's Syrup Pepsin, is ideal for women's use. A free trial bottle can be obtained by writing to Dr. W. H. Caldwell, 412 Washington St., Monticello, Ill.

SESSION HAS BEEN EXTENDED

New Mexico Legislature Desires More Time to Save Party Measures.

Santa Fe, N. M., March 12.—Despite the opinion of attorney general Frank W. Clancy, officially communicated to the house, that the legislative session ends tonight at noon, the senate last night decided by a vote of six to five that it does not wind up until Saturday noon, so as to compel the governor to take action on the Bureau tax commission, the mine taxation, the traveling auditor's and other Republican party measures.

The majority in the house and senate, after securing an opinion from the attorney general to the contrary, voted to continue the legislative session until noon Saturday, on the theory that a legislative day runs from noon to noon and that the session would thus not expire until tomorrow. A strong minority protest was made in the senate, the house taking the opposite side.

Heavy Tax Levied.
The expectation of a brother of the late Santa Fe governor, Julian, and the levying of a tax of \$200,000 pesos on merchants of Guadalajara by Villa's troops is reported by persons arriving here from Guadalajara. Juanito Cueto, brother of Manuel Gallardo, former Huerta governor of Jalisco, was arrested shortly after the occupation of the city by Villa, according to the arrivals here. Manuel Gallardo is living in El Paso and has received dispatches from his brother that he was executed. The arrivals from Guadalajara report that the levy of \$200,000 pesos was levied on the merchants and that most of the merchants and business men are complying with the levy without protest.

BORDER RECRUITING ACTIVE; SIGNAL FIRES GIVE WARNINGS
Agents of Villa, Zapata, Carranza and the Clefifios are recruiting men in the Big Bend country, using the district around Ojinaga as headquarters, according to reports received here. The Carranza at Ojinaga numbers 700 and is nominally Villista. Agents of the other three factions, however, are active and, according to the arrivals here, the Carranza may revolt at any time and attack south.

A complete system of "wireless" communication is maintained by Mexicans all along the border, signal fires being used. A week ago federal officers started from Presidio west, looking for the band of men who came to this side after killing a colonel at Bonanza. The almost secrecy was maintained but, when at a point about ten miles west of Presidio, the party was informed by a Mexican that their coming had been known two hours previously. Movements by the federal or military authorities are continuously being reported almost as soon as started, according to the arrivals here. It is also stated that the Carranza army at Presidio has been repeatedly warned that he will be shot by the Villistas if he ventures into Ojinaga.

WILL EXPOSE RELATIONS OF VILLA WITH WASHINGTON
What is calculated to be an expose of the Villa faction, and its diplomatic relation with the Washington government, is being written by Luis Aguirre Benavides, of the family prominently connected with the Carranza government until Villa's split with provisional president Gutierrez.

Aguirre Benavides, from almost the beginning of the Carranza revolution acted as Gen. Villa's private secretary, and is supposed to be familiar with both diplomatic and military secrets of the northern leader. He at present is at Veracruz with the Carranza faction, having escaped from Villa territory by way of the Texas border.

PIMA COUNTY JUDGE UPHOLDS PARDON BOARD LAW VALIDITY

He denied a writ of habeas corpus to Knox Laird, who held pardon issued by governor Hunt. In order to test the law, the governor issued a pardon, which was not honored by the warden. Has Spent Many Years on Boat
Mrs. Laura Ferrel Gives Sound Advice to Women Who Suffer.

A statement recently received from Mrs. Laura Ferrel, who lives at Lock No. 4, P.M., regarding the new system, tonic, Plant Juice, now being introduced here, will prove of interest to our citizens. Mrs. Ferrel has been known to river men for the past 25 years and is at present employed on the steamer, Henry A. Lauchlin. She said:

"I had been a sufferer from headaches, with dull, heavy pains in my stomach and a bearing down pain in the lower part of the abdomen. I was dirty, very nervous and felt as though I was all gone. I would tire quickly; my limbs would pain me and were sore and my heart would almost cease to beat from the pain. I had arrived at the age in life when I needed medicine. I had almost given up all hope when I bought a bottle of Plant Juice. I am feeling for the first time in my life well and strong, as I have often heard other ladies speak of when they have used the 'hot flashes' have disappeared and I can eat any kind of food I wish without distress. Tomorrow, I am telling all of my friends and want all women to know that Plant Juice is a good medicine for their ills."

Plant Juice is sold in El Paso at the Kelly & Pollard drug store, where it is being introduced and its merits explained.—Advertisement.
